There are many caterers in Boston, but none who excel Mr. Fera in the finer, more artistic branches. The elder Mr. Fera learned his profession in Russia, where he had the honor of preparing rare and exclusive dishes for the Czar, and the methods employed by him have been confided to his son, and are scarcely capable of imitation.

KNABE PIANOS.

The perfection of the Knabe piano of today is due to the best efforts of three generations of piano-makers, and hundreds of scientific and practical experts. For over sixty years it has been the aim of Knabe makers to produce the best piano. That they have succeeded you may know by comparing the Knabe, in all details with the pianos of the world.

Four lines of pianos: Knabe, Strich and Zeidler, Briggs, Shoninger. A great variety, many grades, and all prices. Terms reasonable.

SATURDAY EVENING GAZETTE.

THE BOSTON SATURDAY EVENING GAZETTE is peculiarly a Boston paper, and has been for over three quarters of a century the leading family weekly journal of the city. Its circulation is among the most intelligent and influential class of readers.

As an advertising medium, the advantages of the GAZETTE are obvious, and are widely appreciated. No journal has a more select and desirable advertising patronage; and by the Book Trade, the hotels of the Country, the Dry Goods Trade, and in specialties in which the patronage of ladies is solicited, it is most of all sought.

CONSCIENTIOUS SERVICE.

We always aim to render honest, thorough, conscientious and prompt service. We try to see how faithfully we can perform your work. All our

UPHOLSTERY WORK, CABINET MAKING and INTERIOR DECORATION

has that characteristic. Nothing is slighted. Everything is done as carefully as it can be done. Two conditions make this possible. First, the right motive; and second. years of the most instructive experience. For our knowledge is most emphatically born of past achievement.

And now as to the kind of service we perform:

We make new Furniture from Special Designs, attend to Upholstery, Repairing and Renovating of Old Furniture, make over Mattresses and Bedding, cleanse Lace Curtains and Blankets, take up, clean and relay Carpets. We give special attention to the care and cleansing of Turkish Rugs, and pack all kinds of Furniture, China and Bric-a-Brac for storage or transportation.

Our clientage represents the best families in Boston and vicinity They know good service and appreciate it. For we are requisitioned yearly. But we respectfully solicit additional patronage. We desire yours. The inducements we offer are conscientious service and reasonable charges. May *we have it on that basis?* A postal or telephone call brings us to you.

YOUR RUGS AND CARPETS

will be properly and thoroughly cleansed, repaired, straightened and packed moth-proof by expert workmen at the

Armenian Rug and Carpet Renovating Works.

We make a specialty of renovating ORIENTAL RUGS after the same process as that used in Persia and Turkey, which restores colors, removes grease, disagreeable odors, ink-spots, and is preventive of moths. By the uniform testimony of our patrons, our process is in all respects far superior to naphtha cleansing. **Domestic Carpets** of high grade, when renovated by our process, look as fresh as new. Card Etiquette.

The significance of a card is always considered by well-bred men and women and its fitness to the occasion is an expression of its owner's individuality.

A written name should never be used, unless the bearer's formal cards are beyond reach.

Ladies' visiting cards should be nearly square, fine in texture, flexible, and of a soft white. Changes in form of course occur, but these are the characteristics for those who respect good form.

It is imperative that Mrs. or Miss should be placed before the name upon the engraved card.

It is proper to use the husband's complete name. Initials are seldom seen.

During a young girl's first season in society her name is engraved upon her mother's card. If she is the oldest unmarried daughter, she is appended as Miss Smith — otherwise her full name is given with the prefix of Miss.

When two daughters enter society together, it is proper for them to be mentioned upon their mother's card together, thus,

MRS. JAMES SMITH.

THE MISSES SMITH.

Afternoon tea cards are sent a week or ten days in advance of the date upon them.

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations.

"Party Calls" should be made within one week after date of the party.

Invitations in your own city can be sent either by mail or messenger, as preferred.

The custom is for a lady about to be married, to enclose her card in an unsealed envelope, which the servant should deliver, the lady not leaving the carriage.

The visiting cards of gentlemen are shorter and slightly narrower than those at present used by ladies. They are engraved in plain script, no flourishes of any kind. "Mr." should be prefixed to the name.

When an entertainment is given by a gentleman, each guest should send a card within a week, or call.

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor's card with her own, in the same envelope

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an At Home card.

A visiting card should always be left when attending an "At Home."

An invitation requesting your presence, requires an answer.

CARD ETIQUETTE FOR CHURCH WEDDINGS.

When attendance to a church wedding is impossible, cards must be sent in an envelope directed to those from whom the invitation comes.

If present at the church, it is polite to send a card or cards to those who invite

CARD ETIQUETTE IN WASHINGTON.

Questions are asked concerning the requirements that the official element demands in Washington.

The President has absolute precedence. He receives visits — returns none. He is addressed as Mr. President.

His receptions are open to all.

Upon entrance you give your name to an usher, and are announced. You are then introduced to the President and members of the Presidential family.

It is proper to leave your card before your departure from the "White House."

Any invitation from the President is considered as a command.

To whom the second place in social precedence belongs, is still unsettled.

The position is claimed for both the Chief-Justice, and the Vice-President.

There is a question as to who should pay the first visit — the Cabinet officer or the Senator.

Many yield this point to the Senator. The families of Senators are in Washington for a short time, while the residence of the Cabinet is fixed.

If the families of Senators do not send their cards first their presence in the city may be unknown, and complications arise.

In Washington the influence of official life is marked, and felt through all circles.

CARDS FOR BALLS.

Note sheets are used for private balls, and the engraved invitation is in the same form as for any evening party.

After dinner cards, cards after any hospitality, and cards of condolence, if possible, should be left in person.

Cards of ceremony must be left within a week.

If a lady is "at home" on a certain day, cards must be left on that day and no other.

Exceptional occasions, of course, require exceptional cards; for such there can be no fixed rules.

INFANTS' CARDS.

It is a pleasing custom to send a small card announcing the birth of a child.

The full name is on the card, also the date of its birth in the lower left hand corner.

It is enclosed with its parents' card, to which it is daintily ribboned.

A visit of acknowledgement is usual. If not possible, a card is sent, with "Congratulations" written upon the upper left hand corner.

EMERSON - - - -
- - - PIANO-FORTES.

[ESTABLISHED IN 1849]

. . .

Grand and Upright.

Every Instrument Warranted.

. . .

50 Years of Progress

in piano-making have given us a perfect musical instrument. A piano capable of the finest gradations of tone – capable of producing the passion and thunder of war, or the soft, caressing tones of love and reverie.

The Emerson Piano

does what the player wills—easily—precisely—harmoniously. In its clear, musical treble is no suggestion of wood or wire—in its lower notes no harshness. From one end of the keyboard to the other is perfect, mellifluous harmony. Yet with all its goodness, the Emerson is sold at a reasonable price.

THE BOSTON BUDGET.

An Illustrated Weekly Journal for the Home.

The publishers of the BUDGET beg to direct the attention of Bostonians to a series of articles on "Old Boston," of permanent value, by

BENJAMIN F. STEVENS, ESQ.,

president of the New England Mutual Life Insurance Company, which have been published in this paper during the past twelve months.

This series of articles is of immense advantage to those people who are desirous of reading of Old Boston. Mr. Stevens has been a writer upon this subject for a great many years, and no author is better equipped to deal with the customs and people of Colonial Boston. Mr. Stevens's writings have always been widely read and commented upon, and the present series (published exclusively in the BUDGET) is the first important newspaper work that he has done for nearly ten years.

The series comprise fourteen papers, and treat upon the following subjects: "The story of Ancient Boston;" "The Old Granary Burial Ground;" "Something about the King's Chapel and Copp's Hill Burial Grounds;" "A description of the town of Boston;" "The old buildings of Boston;" "Some famous taverns of Old Boston;" "Church customs in Old Puritan Boston;" "Some of the early customs of Boston;" "Something about John Gallup and Nix's Mate;" "The settlement of Boston;" "Tremont street and its vicinity before the Revolution;" "Summer street and vicinity in early days;" "Patriotic memories;" "The Boston Tea Party;" "Schools in early Colonial days."

The price of any one of these issues is five cents; postage free.

YOU ARE INVITED.

We shall never be satisfied until we can have our warerooms equally full of two different classes of people — real buyers and mere sightseers.

We have a fine line of buyers already, but comparatively few who come as mere sightseers. We want these transient sightseeing visitors. We invite them to come without a thought of buying. Come often. You are always welcome, and you will never be importuned to purchase.

Look at the novelties and curiosities in our foreign department — carved French walnut from Switzerland, teak wood from Burmah, inlaid work from Constantinople, curios from Japan, camphor chests from China, rugs from the Orient, grass furniture from Malacca, and new ideas from every quarter of the globe.

The best thing about all this is the fact that Canal Street prices bring it all within easy reach. They are the lowest known, and in other respects are similar to those established by the Medes and Persians.

Our latch string is out to all comers.

PAINE FURNITURE CO.

RUGS, DRAPERIES and FURNITURE,

48 CANAL STREET.

Oriental Rugs and Draperies

. . AT PAINE'S . .

In a single sentence:—we are trying to put into your hands inexpensive things of a very high artistic character.

Purchasing a rug is the event of a lifetime; it will last for generations. It pays therefore to get something really artistic, to note the sheen, texture, lustre, age, weave, etc.

We have secured as customers nearly all the architects, artists and those who know rugs. They find here colorings never found in ordinary baled rugs. And they find low prices.

In Draperies, the services we try to render, when we send an interior decorator to examine your room, is to get the color, exposure, light, proportion, wall space, etc., and then carry out your ideas in an artistic way,—not try to plan elaborate things that you do not want.

As for fabrics, we select them from Europe and control their exclusive sale in most cases. Our lace curtains, especially, are notable all over this country for their artistic beauty and low cost.

YOUR RUGS AND CARPETS

will be properly and thoroughly cleansed, repaired, straightened and packed moth-proof by expert workmen at the

Armenian Rug and Carpet Renovating Works.

We make a specialty of renovating ORIENTAL RUGS after the same process as that used in Persia and Turkey, which restores colors, removes greese, disagreeable odors, ink-spots, and is preventive of moths. By the uniform testimony of our patrons, our process is in all respects far superior to naptha cleansing. **Domestic Carpets** of high grade, when renovated by our process, look as fresh as new. No machinery used.

SECOND ALARM to be given by striking two blows, followed by box number.

THIRD ALARM to be given by striking three blows, followed by box number.

FIFTH ALARM to be given by striking five blows, followed by box number.

GENERAL ALARM to be given by striking six blows, followed by box number.

First alarms from boxes *North* of Essex, Boylston and Arlington streets will be struck on all the box-gong circuits and on the bell and gong circuits in city proper, Charlestown and East Boston only, and from boxes *South* of the same on all the box-gong circuits and bell and gong circuits in city proper, South Boston, Dorchester, Roxbury, West Roxbury and Brighton.

Second, third, fourth, fifth and general alarms will be struck on al the circuits.

Signal for no school, 1-1-1, struck on all the bell and gong circuits.

HENRY S. RUSSELL,
Fire Commissioner.
BROWN S. FLANDERS,
Superintendent.

May 10, 1899.

DIRECTIONS.

Go to the nearest box to the fire.
A sign over each box gives location of keys.
Open the box—pull the hook all the way down *once* and let go.
Wait *one full minute* for the sound of the bells.
Listen for the working of the machinery in box. If you do not hear it, pull again.
If then you hear no sound, go to the next nearest box. Repeat the same there; but do not touch any other box if the nearest one gives the alarm. If it be a keyless door, turn handle to right and open door; *when open*, pull hook as in other boxes.
After giving the alarm remain a while, *if possible*, by the box, so as to direct the firemen to the fire.
SECOND ALARMS.—No person will give alarms for the same fire (after the first alarm has been given), *without an order from the Chief*, or the officer in command, and the person so ordered will be *sure* to go to the *same box* from which the first alarm was given, and report the same to the Chief. *If, however*, a fire breaks out while another is burning, in a different section of the city, a *second* alarm can be given by a Police Officer without waiting for an order from a Department Official.

Cautions to Persons Holding Signal Keys.

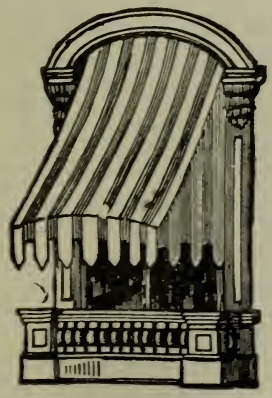

1. Never open the box or touch the hook except in case of fire.
2. Never give an alarm for a fire seen at a distance.
3. Be *reasonably sure* there is a fire before giving an alarm.
4. Be sure your box is locked before leaving it.
5. Never let the key go out of your possession, except to some responsible person to give an alarm of fire, and be sure the key is returned.

If you remove from your house or place of business, return the key to the Fire Commissioner's Office without delay.

U. S. WEATHER BUREAU.

Explanation of Cautionary and Storm Signals.

A RED FLAG with a WHITE CENTRE, displayed at stations on the Great Lakes, indicates that the winds expected will not be so severe but well-founded sea-worthy vessels can meet them without danger.

A RED FLAG with a BLACK CENTRE, either on the Lakes or seaboard, indicates that the storm is expected to be severe.

The pennants displayed with the flags indicate the direction of the wind; red, easterly winds (from northeast to south); white, westerly (from southwest to north). The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

The Information Signals consist of a RED PENNANT similar to the direction pennants, and when displayed alone indicates that the local observer has information from the central office of a storm covering a limited area dangerous only for vessels about to sail for certain points, This signal is intended to be a notification to shipping masters that valuable information will be given them on application to the local observer.

By night a red light will indicate easterly winds and a white light above a red light will indicate westerly winds.

The system of weather, temperature and rain signals displayed throughout the country is distinct from the cautionary and storm signals, the latter being principally for the information of the maritime interests, and are displayed at the principal ports of the Great Lakes, and on the Atlantic, Pacific and Gulf coasts.

Boston office, rooms 149 to 154, P. O. Building, open to public from 9 A. M. to 4 P. M.; visitors cordially invited. Telephone No. 491 Boston; service 9 A. M. to 5 P. M. and 8 to 10 P. M.

J. W. SMITH, *Local Forecast Official.*
In charge Boston Station.

HURRICANE WARNINGS.

For the purpose of giving warning of the approach of tropical hurricanes (and also those extremely severe and dangerous storms which sometimes pass across the Lake region and North Atlantic coasts), the Weather Bureau has adopted a special signal called the hurricane signal, consisting of two red flags with black centres displayed one above the other. (No distinctive night signal will be used). This signal will be displayed at all Weather Bureau offices and wind signal display stations on the Atlantic and Gulf coasts and the Great Lakes and also at numerous other points at sea and lake ports and along the coasts mentioned.

Chief of Weather Bureau.
